Re: Cleveland Rowing Foundation Clean Ohio Application

To whom it may concern:

On behalf of ParkWorks, I would like to extend my support of the Cleveland Rowing Foundation's application to the Clean Ohio Conservation Fund for purchase of the Commodore Club site.

This site is located in close proximity to the future Lake Link Trail, Stonebridge Apartments, and future phase of the Towpath Trail and is the most ideal location on the river for the Cleveland Rowing Foundation's program. The new boathouse also has the opportunity to include other boating programs such as the Cleveland Dragon Boats and public kayaking.

We are especially enthusiastic about the potential to work with the Cleveland Rowing in the areas of public greenspace access, stormwater management, and green building. We look forward to continuing to collaborate with the Cleveland Rowing Foundation and their partners. Please feel free to contact me at (216) 696-2122 ext. 111 with any questions.

Sincerely,

Ann Zoller
Executive Director
