Mission of CRF:

CRF supports, facilitates, and promotes the sport of rowing and recreational uses of the Cuyahoga River by partnering with its member organizations and the community.

Primary Purpose of Committee:

To foster, monitor and assess current programs available to youth, collegiate and adult aged individuals and to oversee future program development.

Scope:

1. Work with coaching staff / contractors to ensure a positive rowing experience.
2. Facilitate discussions about program priorities among BOD, staff, and coaches.
3. Manage the growth and overall development of current / future rowing programs.
4. Provide oversight of general program operations.

Goals:

1. Update the current Operations Manual.
2. Act as a Member Organization Liaison between all current and future Member Organizations; and relay any questions, comments or concerns to the Executive Director and the Board of Directors.
3. Coordinate and host an event on Saturday, June 2nd to promote National Learn to Row Day. Collaborate with all program committees to recruit and retain participants.
4. Support the Board of Directors and other Committees when planning and executing all Corporate Rowing opportunities.
5. Oversee the MAGIS/ELA camp development, in addition to Summer Camps.
6. Work with community leaders and sponsors to help foster new relationships and continued program growth within the City of Cleveland limits.

Authority:

1. Conduct Committee meetings.
2. Enforce disciplinary policies.
3. Oversee program structure and off site special events.
