CRF Maintenance Director: 2013 – Present

Florin Filipescu currently serves as the Maintenance Director of the Cleveland Rowing Foundation, where is responsible for providing care, maintenance, and minor repair of the Foundation's launch fleet and indoor rowing equipment. Including all equipment associated with the day to day operations and fuel delivery. Florin also provides building care and maintenance, including trash removal and restroom cleaning and restocking along with other small onsite jobs as needed. Without Florin, the Foundation's on and off the water's operations would not be possible.
